Heavy Metal Hurricane

Living Death

I see it in the night
When all wars end the fight
You see it tooThe moon stood high, it was no lie
When I tell it's so shy
I'm warning youThey came so quick, like a trick
The people run before they die
I hear you cry
It was a slough, I'd never thought
The people bleed in the wet
I could not actIt was a battle like heavy metal
All the freaks banged their heads
So I want to see
Heavy Metal Hurricane
In the hell and back again
Heavy Metal Hurricane
Bloody action see againI see it in the night
When all wars end the fight
You see it tooThe moon stood high, it was no lie
When I tell it's so shy
I'm warning you
It was a battle like heavy metal
All the freaks banged their heads
So I want to see
Heavy Metal Hurricane
In the hell and back again
Heavy Metal Hurricane
Bloody action see againI see it in the night
When all wars end the fight
You see it tooThe moon stood high, it was no lie
When I tell it's so shy
I'm warning youThey came so quick, like a trick
The people run before they die
I hear you cryIt was a slough, I'd never thought
The people bleed in the wet
I could not actIt was a battle like heavy metal
All the freaks banged their heads
So I want to see
Heavy Metal Hurricane
In the hell and back again

Heavy Metal Hurricane
Bloody action see againIt was a battle like heavy metal
All the freaks banged their heads
So I want to see
Heavy Metal Hurricane
In the hell and back again
Heavy Metal Hurricane
Bloody action see again
