Born to Be Your Woman

Joey + Rory

You're my man, and I'm your woman
Where you lead me, I will go
I will stand strong beside you,
No matter how hard the wind might blow
Our love will last forever,
Like this diamond on my hand
'Cause I was born to be your woman,
And you were made to be my manYou're the breath in my body
You're the blood that's in my veins
You're my strength when I grow weary
You're my shelter when it rains
Our love will last forever,
Like this golden wedding band
'Cause you was born to be my woman,
And I was made to be your manWe are bound by God forever
We're part of a bigger plan
'Cause I was born, to be your woman
And I was made, to be your man
