

# Born to Be Your Woman

**Joey + Rory**

You're my man, and I'm your woman  
Where you lead me, I will go  
I will stand strong beside you,  
No matter how hard the wind might blow  
Our love will last forever,  
Like this diamond on my hand  
'Cause I was born to be your woman,  
And you were made to be my man You're the breath in my body  
You're the blood that's in my veins  
You're my strength when I grow weary  
You're my shelter when it rains  
Our love will last forever,  
Like this golden wedding band  
'Cause you was born to be my woman,  
And I was made to be your man We are bound by God forever  
We're part of a bigger plan  
'Cause I was born, to be your woman  
And I was made, to be your man
