

Go Down

Daughtry

Say what you need to say
Say, say it without a gun Stay if you need to stay
Stay, hope you're ready to run Time's runnin' out on the clock
Tell me what have you done Well, I'm here, right here, when you're ready,
when you're ready to come, come So get your freak on
Get your heels off the ground
Like a drop zone
Yeah, it's about to go down Now get your rocks off
Body move to the sound
Like an outlaw
Yeah, it's about to go down, down Take, take it all the way
Take it all the way to the grave Break, breakin' all the rules
Just so you can come out an play Well, time's runnin' out on the clock
and they're turnin' the page Well, I'm here, right here
Get you out, get you outta your cage, cage So get your freak on
Get your heels off the ground
Like a drop zone
Yeah, it's about to go down Now get your rocks off
Body move to the sound
Like an outlaw
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down So get your freak on
Go take a hold of this town
Like a drop zone
Yeah, it's about to go down Now get your rocks off
Body move to the sound
Just like an outlaw
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down
Yeah, it's about to go down, down
