Behind The Scenes

MC Ren

Now this is the bitch who makes straight A's,
but never got to leave out of the house back in de dayz
and when she was at school she gave people dirty looks,
she always carried books and thought me and my friends were crooks,
you always see the bitch in the classes,
she never wore pants she wore a dress and some glasses,
teachers used to rag, she was the teacher's pet,
every nigguz used to brag how much they want to make her wet,
straight to her butt 'cause yo she ain't tall,
but you would say fuck her when you saw the bitch walk,
ass hanging out by the pawn,
and that's another reason why niggaz wanted to get her panties down,
she kept to herself in the hallways,
and never looked at niggaz like old day,
and when the last bell rang she was gone,
so one day I decided to follow the bitch home,
her mother was at work she would'nt get home 'till 6,
so it was time for ren to put the bitch in the mix,
'cause back in the school it was every nigguz dream,
so now it's time to get a closer look behind the scene!"all the pimps, the hores, the pulldaggers, the cocksuckers,
gave 100$ bill just to see"now I made it to her house but she would'nt let me in yo,
so I said fuck it, smack around to the window,
she get into the room and start to undress,
now I'm biting on my lips saying "damn this bitch is blessed!"
the doorbell rang, it was the nextdoor neighbor,
and he was axing up could she do him a favour,
she grabbed de nigga's hand and took him in the room,
and laid on the back as he fucked her with a broom,
she said she wanted back up so then she said,
she wanted him to eat the pussy so she grabbed his head,
and he started eating it like a thanks-given dinner,
he made the bitch come and then he put his dick up in her,
she smashed up his back with the cloth,
but she was screaming so loud he had to gaggle with his toes,
but after they finish fucking yo the bitch took a shower,
to wash off the sweat from the last half hour,
the bitch put out some bud and then she started to smoke,
took his wicked jack daddy and made a few miles of cock,
the nigga said shit gotta go,

bcuz this innocent little girl is a whore!
YO BEHIND THE SCENES!"nobody in .. my neighborhood" MiXnow I went back to school the very next day,
and I knew that my niggaz won't believe what I had to say,
I told them what I saw and nigguz said "yeah right",
so I told the mothafuckaz to come over there tonight,
now there's 10 real niggaz at her window,
waiting to see a whore like alamat natio(?)
they thought that I was lying 'cause we waited 1 hour,
and when we started to leave the bitch walked out da shower,
ass on the round the bitch do it in her bed,
her bottomlips was hanging and she started fingerbanging,
her daddy walked in and started beating her with a belt,
the bitch was so hot she made the leather start to melt,
but she was liking it,
yelling "daddy give it to me harder",
then he took off all his cloth and start fucking his doughter,
my niggaz outside did'nt believe what they would see-some,
but when her mama got home, they turned into a threesome,
her mama ate the pussy while her daddy doggy sounded,
the family freak together and they also laid together,
I could'nt take them all 'cause I was too much of a man,
so I jumped back to the window with my dick in my hand,
The hand in the money kept to her neighbors' door,
'cause now it was even it was 2 against 2,
but a couple minutes after I was in,
all my niggaz jumped in all 10 yo behind the scenes!"This is the bitches and the ho's crew""yes daddy I love you""She like suckin' on dicks .. and lickin' on nutts .. and they even take
the broomstick on her butt!"
