Drive

Bobby McFerrin

I'm gonna get in the car
Drive away
Drive so far
No one's gonna find me
Put my foot on the gas
Accelerate
Drive so fast
No one's gonna catch me

Gonna get in the car
Drive away
Drive so far
No one's gonna find me
Put my foot on the gas
Accelerate
Drive so fast
No one's gonna catch me

Gonna get in the car
Drive away
Drive so far
No one's gonna find me
Put my foot on the gas
Accelerate
Drive so fast
No one's gonna catch me
No one's gonna catch me
