

Your Love Never Fails

Newsboys

Nothing can separate
Even if I run away
Your love never fails
I know I still make mistakes
You have new mercy for me everyday
Cause your love never fails You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning The wind is strong and the water's deep
I'm not alone here in these open seas
Cause your love never fails
The chasm is far too wide
I never thought I'd reach the other side
But your love never fails You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning And when the oceans rage
I don't have to be afraid
Because I know that you love me
Your love never fails You make all things work together for my good
You make all things work together for my good You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning And when the oceans rage
I don't have to be afraid
Because I know that you love me
Your love never fails Oh oh oh, oh oh oh, oh oh
Cause your love never fails
