

Alone.

Charlotte Hackett

I hear the tickin' of the clock
I'm lying here the room's pitch dark
I wonder where you are tonight
No answer on the telephone
And the night goes by so very slow
Oh I hope that it won't end though
AloneTill now I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone?
How do I get you alone?You don't know how long I have wanted
To touch your lips and hold you tight, oh
You don't know how long I have waited
And I was going to tell you tonight
But the secret is still my own
And my love for you is still unknown
AloneOhh
Till now I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone?
How do I get you alone?How do I get you alone?
How do I get you alone?
Alone, alone
