

I Believe It To My Soul

Joss Stone

Ooh
Yeah, ooh, ooh, ooh, ooh
Yeah, yeah, yeah
Alright now
Yeah, baby One of these days
And it won't be long
You're gonna look for me
But I'll be gone I believe, yeah
See I believe yeah, yeah, yeah
Oh, baby
You're tryna make a fool outta me And since you've been going round lately
With your head so high
I think I'm gonna have to
Use my right 'Cause I believe, yes, I do now
I believe, yeah, yeah
I believe it, baby, I believe
You've been tryna make a fool outta me
Yeah, alright now
Mmm, mmm, mmm, mmm, yeah Yeah, yeah, yeah
One night when you were sleeping
I heard you say, 'Oh, Lily'
But, baby, you know my name
You know my name, my name is Jossie, baby
And don't you forget it, love, baby Mmm, mmm, mmm, mmm
See I believe, I believe
You've been tryna make a
Tryna make a fool outta me
Mmm, mmm, mmm, mmm, mmm, yeah And since you been
You've been going round, baby
With your head so high
I think I'm gonna have to
To use my right 'Cause I believe it, baby, I just gotta know
How you really feel, tell me right now, right here
You don't care for me no more, why not, baby?
You just starting to forget about me, yeah
And I can't, I can't take it, take it, take it no more Darling, tell me, I had to and I'm gonna
I'm gonna use my right on you, boy
If you don't, you don't ship and shape it up
And fall in love Since you've been sleeping around on me

I saw the lipstick on your shirt
Smelled the perfume in your hair I believe
I believe it right here, right now
That you're making a fool
You making a big, old
Ugly, silly, ridiculous fool outta me
