I'm Still Standing

Eartha

I know you ainâ€™t seen me lately
I bet you thought you drove me crazy
The last time you saw me I ran for cover
And you assumed it was all over

Iâ€™m still standing, Iâ€™m still standing yeah
Iâ€™m still standing, I ainâ€™t going no where

I know you thought you saw the end of me
But God, He just would not let it be
Intervening before the attack
(He) refused to let me go down like that

Iâ€™m still standing; hit me with your best shot
Iâ€™m still standing
Iâ€™m still standing, all you got
Iâ€™m still standing

Iâ€™m still standing; hit me with your best shot
I ainâ€™t going no where, I ainâ€™t going no where
I ainâ€™t going no where, all you got

I know you donâ€™t wanna hear my voice
Iâ€™m sure you didnâ€™t expect to see me no more
I remind you of how cruel you be
I never gave you a reason to rail on me

Iâ€™m still standing, Iâ€™m still standing yeah
Iâ€™m still standing; I know you didnâ€™t wanna see me no more
Iâ€™m still standing, Iâ€™m still standing
I ainâ€™t going no where, I ainâ€™t going no where

Thereâ€™s one (up) above whoâ€™s Almighty
(He) kick me down with all the strength I need
So do what you want to do to try and work me
Nothing you can do to harm me

Iâ€™m still standing; hit me with your best shot
Iâ€™m still standing, all you got
I know you didnâ€™t wanna see me no more

Iâ€™m still standing; hit me with your best shot
I ainâ€™t going no where
I ainâ€™t going no where, all you got

Pressure made me go the round
And it almost took me down
Making move I didnâ€™t plan
Throwing blows I couldnâ€™t land
But I had to hold my frame
Got some strength when I heard my name
Focused on what really counts
At the end I stand my ground

Iâ€™m still standing, Iâ€™m still standing
Got all the strength I need
Iâ€™m still standing, yeah yeah
Iâ€™m still standing, I ainâ€™t going no where

Pressure made me go the round
And it almost took me down
Making move I didnâ€™t plan
Throwing blows I couldnâ€™t land
But I had to hold my frame
Got some strength when I heard my name
Focused on what really counts
At the end I stand my ground
Iâ€™m still standing

Iâ€™m still standing; hit me with your best shot
Here I am, Iâ€™m still standing
Iâ€™m still standing, all you got
I know you donâ€™t wanna see me
Iâ€™m still standing; hit me with your best shot
I ainâ€™t going no where, I ainâ€™t going no where

I know you thought you saw the end of me
Iâ€™m still standing; hit me with your best shot
I know you didnâ€™t wanna see me know more
Iâ€™m still standing, all you got
I ainâ€™t going no where

Iâ€™m still standing; hit me with your best shot
I ainâ€™t going no where, I ainâ€™t going no where
I ainâ€™t going no where, all you got
