

Walk In My Shadow (Live at Sunderland / 1970)

Free

Walk in my shadow
My throat is dry
My knees are weak
It's so damned hot
I can't even speak Walk in my shadow
I can't take it anymore
When I get you in the shadows
I gonna show you what it's for Yes I know baby
That's a shady kind of deal
I just want to find out
How you feel Walk in my shadow
I ain't gonna take it anymore
When I get you in the shadow
I'm gonna give you what's in store Yes I know you say I'm stupid
It just wouldn't be cool
Well I can tell baby that
I aint no fool Walk in my shadow
I can't take it anymore
When I get you in the shadow
I'm gonna lay you on the floor When I get you in the shadow
I'm gonna give you what's in store
