Near Dark (Unconscious Perception Remix)

Burial

Going out, I'm justI envied you
I envied you
Going out, I'm just
I'm just not in it, at all
People are still thereI can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off youI can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off youI envied you
I envied youI envied you
I envied you
I can't take my eyes off youI envied you
I envied you
I can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off youI can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off you
I can't take my eyes off youI envied you, girl
I envied you, girlI envied you, girl
I envied you, girl
I can't take my eyes off youI envied you, girl
I envied you, girlI envied you, girl
I envied you, girlI can't take my eyes off
