Memorabilia

Inside Agitator

Wherever I go
I take a little piece of you
I collect, I reject
Photos I took of youWell, times that I passed through
So many faces, so many places
I have got to have a memoryI have never been there
I have never been there
I have never had you
I have never had you
I have never had you
I have never had youI have never had you
I have never had you
I have never had you
I have never had you
I have never had youI can't remember
Give me your reminder
I can't remember
Give me your reminderI collect, I reject
Memorabilia, memorabilia
Memorabilia, memorabiliaKey chains and snowstorms
Taste of your sweat
The look in your eyesI have been inside you
I have been inside you
I have been inside you
I have been inside you
I have been inside you
I have been inside youI know what it feels like
I know what it feels like
I know what it feels like
I know what it feels like
I know what it feels like
I know what it feels likeI collect, I reject
I collect, I reject
I collect, I reject
MemorabiliaGive me your reminder
Give me your reminder
Give me your reminder
I can't rememberGive me your reminder
Give me your reminder

Give me your reminder
I can't rememberI collect, I reject
I collect, I reject
I collect, I reject
I collect, I rejectMemorabilia, memorabilia
Memorabilia, memorabilia
Memorabilia, memorabilia
Memorabilia, memorabilia
