

You Hold It All Together

All Sons & Daughters

It feels like an ocean of sorrow is under my skin
Even the ocean eventually meets with sand
Sorrow on sorrow, I'm waiting
Heavy I'm anticipating
Trusting the current will carry me

You are my strength
You are my song
You are my salvation
You hold it all together
You hold it all together

We come with great expectations and fears in our hearts
Send us your light as we're making our way through the dark
All of the earlier troubles
Chaos and pain may unravel
Looking ahead we rejoice in You

You are my strength
You are my song
You are my salvation
You hold it all together
You hold it all together

Like a stone
In the wasteland
I was useless until You
Lifted high
In your mercy
Out of sorrow am made new
Oh this mind
Cannot measure
All Your favors in this world
So we shout in adoration
Holy holy are you Lord

You are my strength
You are my song
You are my salvation
You hold it all together

You hold it all together
You hold it all together
