

Hands Up In The Air (Moto Blanco Club Mix)

Audio Playground

With the music inside , I'm alive
And I'm down for whatever, whatever
Getting high on the vibe of the sound
It's my drug, forever, foreverAnd hey! it's now or never, everyone together
Get the more the better, there's no turning back tonight yeah
Two of them hate us; show them what we're made of
Now here's a little something for youPut your hands up in the air
You're never defeated, you're never defeated
Put your hands up in the air
And reach for the ceiling, and reach for the ceiling
Put your hands up in the air, hands up in the air
Show them we don't care
Put your hands up in the air, hands up in the air
Show them we don't careAiming high we won't stop, gonna fly to the Top
Whenever, wherever
Yeah we're here getting loud, Come on chill with the crowd
Forever, foreverAnd hey! it's now or never, everyone together
Get the more the better there's no turning back tonight yeah
Two of them hate us, show them what we're made of
Now here's a little something for youPut to the test, we show them our best, tonight (tonight)
Ready for more, we own the floor, tonight (tonight)Put your hands up in the air!
