Me Too

Rhonda Vincent

Listen to that rain a falling
Cant you hear that lonesome sound
Oh my poor ole heart is breaking
Cause' my Sweet love aint aroundMemories come back to haunt me
My dream house has done fell down
This ole World is dark around me
Cause' my Sweet love aint around---Fiddle Break ----Mandolin Break--Lord I think Ill start to Ramble
Got to leave this weary town
This old Place is way to lonely
Cause' My sweet love aint aroundOn that train tonight Im leaving
And I dont know where im bound
I cant stay here any longer
Cause' My sweet love aint aroundI cant Stay here any longer
Cause' my sweet love aint aroundCause my sweet love aint around
