

In Everything Give Thanks

The Florida Mass Choir

Lead: Trouble, so much trouble everywhere I turn. Trials, my trials to deal with I had to learn, but in the midst of all my troubles and all of my trials He said in everything.

Chorus: In everything give thanks, in Jesus concerning you.

Lead: Changes, so many changes, I've been going through. Confusion, so much confusion and disappointments too, but in the midst of all of that confusion and all of my trials He still say in every----

Chorus: In everything give thanks--- in Jesus concerning you.

Choir: Rejoice ever more and pray without ceasing, quench not the spirit, despise not the prophet (repeat).

Thank you-- thank you--thank you---O Lord I thank you (repeat).

Thank you (Repeat to the end)
