Gotta Go My Own Way

Gabriella & Troy

Troy, listenI gotta say what's on my mind
Something about us
Doesn't seem right these daysLife keeps getting in the way
Whenever we try, somehow the plan
Is always rearrangedIt's so hard to say
But I've gotta do what's best for me
You'll be okayI've go to move on and be who I am
I just don't belong here, I hope you understand
We might find a place in this world someday
But at least for now, I gotta go my own awayDon't wanna leave it all behind
But I get my hopes up
And I watch them fall every timeAnother color turns to gray
And it's just too hard to watch it all
Slowly fade awayI'm leaving today
'Cause I gotta do what's best for me
You'll be okayI've got to move on and be who I am
I just don't belong here, I hope you understand
We might find a place in this world someday
But at least for now, I gotta go my own awayWhat about us?
What about everything we've been through?
What about trust?
You know I never wanted to hurt youAnd what about me?
What am I supposed to do?
I gotta leave but I'll miss youSo, I've got to move on and be who I am
(Why do you have to go?)
I just don't belong here, I hope you understand
(I'm trying to understand)We might find a place in this world someday
But at least for now
(I want you to stay)
I wanna go my own wayI've got to move on and be who I am
(What about us?)
I just don't belong here, I hope you understand
(I'm trying to understand)We might find a place in this world someday
But at least for now, I gotta go my own away
I gotta go my own away
I gotta go my own away
