# Coming Back Home

## Bebe Winans

Took some time to come around
Realize how I let you down
Been to late for sorry now
My pride got in the way
Yes it did
I thought I had it all figured out
I needed time away to work it out
And now that I've learned what it's all about
And all I need is you in my life
So I'm coming back home
Home, where love is waiting for me
Been gone much too long
This is where I want to be
So I'm coming home, coming home
'Cause home is where I belong
Somehow I lost my way
Mistakes I made I have to pay
It hurts to know still today
That I wasted so much time
And after all is said and done
There's more to life than having fun
Ain't no doubt, you're the one
And all I need is you in my life
So I'm coming back home
Home, where love is waiting for me
Been gone much too long
This is where I want to be
So I'm coming home, coming home
'Cause home is where I belong
Just to be in your arms
Is like heaven to me
Your love, your love is all that I need
So I'm coming back home
And I hope you forgive all my wrong
So I'm coming home, coming home
'Cause home is where I belong
So I'm coming back home
Home, where love is waiting for me
Been gone much too long

This is where I want to be
So I'm coming home, coming home
'Cause home is where I belong
