

You're My Boy

Beverly Kenney

You're my boy
The girls all know
You're my boy
I've told them so
You should have seen how their faces fell
When they were wishing me well
They called me a lucky girl
And I couldn't hide
A feeling of pride

You're my boy
I've chosen you
To be mine
My whole life through
And if this heart of mine had a voice
I know it would second my choice
You're what I waited for and you're my boy

Kids that come to see you call
Have written your name and my name on the wall
It's common gossip everywhere
That you and I have got it bad for fair

You're my boy
I've chosen you
To be mine
My whole life through
And if this heart of mine had a voice
You'd hear it second my choice
You're what I have waited for
And you're my boy.
