Barrytown

Do Me Bad Things

I'm not one to look behind
I know that times must change
But over there in Barrytown
They do things very strange
And though you're not my enemy
I like things like they used to be
And though you'd like some company
I'm standing by myself
Go play with someone else
I can see by what you carry
That you come from Barrytown
Don't believe I'm taken in
By stories I have heard
I just read the daily news
And swear by every word
And don't think that I'm out of line
For speaking out for what is mine
I'd like to see you do just fine
But look at what you wear
And the way you cut your hair

I can see by what you carry
That you come from Barrytown
In the beginning we recall
That the word was hurled
Barrytown people got to be
From another world
Leave me or I'll be
Just like the others you will meet
They won't act as kindly
If they see you on the street
And don't you scream or make a shout
It's nothing you can do about
It was there when you came out
It's a special lack of grace
I can see it in your face
I can see by what you carry
That you come from Barrytown
