

All Black Everything

Soulja Boy

All Black Everything
All Black Everything
All Black Everything
All Black All Black [x4]

Black cards black cars Im so legendary, black beautiful girls put they numbers in my black berry
All black fellas bruh everything is legan, all black everything im feeling like an e-clipse! Souljaboytellem yea
thats my name
All black diamonds on my lamorghini chain my chain look like lightning my beats sound like thunder black and
white mix mane im feeling like Obama!

All Black Everything
All Black Everything
All Black Everything
All Black All Black [x4]

Im black everything man I tried to warn em, check out my grill George Foreman. Real talk Im ahead of my time
man, all black everything Im feeling like a blind man!
No wearing in my prime not optimus you can keep tying but it aint no stopping us
