

# Dissention

## Orgy

Found out you're really something they talk about you  
Then turn your confidence against you now, into nothingGrinning from the daze  
Petrified and blazed  
Feels good to know they care  
Special friends, simply two facedYou couldn't let go  
Your talking got you here  
Tearing up everyone  
Respect, you don't knowThey say I'm jaded, 'Cause they know it's true  
With all those silly people on the wonder wheelListen from the dazed  
Purified and crazed  
Feels good to hear them share  
Hateful friends, simply two facedYou couldn't let go  
Your talking got you here  
Tearing up everyone  
Respect, you don't know(Don't waste your fucking time)  
Don't waste your fucking time  
Let live, let go  
([incomprehensible])  
Don't waste your fucking time  
Let live, let go  
([incomprehensible])  
Don't waste your fucking time  
Let live, let go  
([incomprehensible])  
Don't waste your fucking time  
Let live, let go  
([incomprehensible])  
Don't waste your fucking time  
Let live, let go  
([incomprehensible])  
Don't waste your fucking time  
Let live, let go  
([incomprehensible])  
Don't waste your fucking time  
Let live, let goDon't waste your fucking time  
Don't waste your fucking time  
(Let live, let go)  
Don't waste your fucking time  
Don't waste your fucking time  
Don't waste your fucking time  
Don't waste your fucking time  
Don't waste your fucking time  
Don't waste your fucking time

Don't waste
