You Made Me Love You

Patsy Cline

You made me love you
I didn't want to do it
I didn't want to do it
You made me want you
And all the time you knew it
I guess you always knew itYou made me happy sometimes
Sometimes you made me glad
But there were times, dear
You made me feel so badYou made me sigh for
I didn't wanna tell you
I didn't want to tell you
I want some lovin', that's true
Yes I do, indeed I do, you know I doGive me, give me, give me what I cry for
You know you got the brand of kisses that I'd die for
You know you made me love youYou made me sigh for
I didn't want to tell you
I didn't wanna tell you
I want some lovin', that's true
Yes I do, indeed I do, you know I doGive me, give me, give me what I cry for
You know you got the brand of kisses that I'd die for
You know you made me love you
