Never Forget You (RAWsession Version)

Lena Katina

We said that we were meant to be
That we were each others destiny
And now we faded away, maybe it's too late
Now it's time for us to get it straight(Moving on)I'll never forget you but I'll be gone
I'll always respect you and life goes on
I'll never forget you
I'll never forget you(Never forget)I'll hold onto the memory
Now that you and I are history
And why we will never know
Sometimes you let go what you used to keep within your soul(Moving on)I'll never forget you but I'll be gone
I'll always respect you and life goes on
I'll never forget you
I'll never forget you(Never forget)Our moments together
I will keep them forever
Our hearts might surrenderI'll never forget you but I'll be gone
I'll always respect you and life goes on
I'll never forget you
I'll never forget youI'll never forget you but I'll be gone
I'll always respect you and life goes on
I'll never forget you
I'll never forget you(Never forget)
