Love Enough

Sidewalk Prophets

Your love's enough to see the broken hearts
Gain a brand new start with a brand new heart
And as the faithful hope in things unseen
You're enough to see all the things they dream come to life'Cause we're living in the Savior today
And this day is what we have now
In this moment we have chosen to praise
And it's changing how we live nowYour love it broke my fall
It's more than enough and I need it
'Cause I've never known better
And I'll never know betterYour love's enough to see the humbled man
Find the cause of Christ with His outstretched hands
As the cripple grabs his mat to walk
You're enough to save him from the pain he bore'Cause we're living in the Savior today
And this day is what we have now
In this moment we have chosen to praise
And it's changing how we live nowYour love it broke my fall
It's more than enough and I need it
'Cause I've never known better
And I'll never know betterThis love will see me soar
It's more than enough and I need it
'Cause I've never known better
And I'll never know betterMy Savior, You'll never let me go
My life is now secureMy Savior, You'll never let me go
And in Your hands my future's brighterYour love it broke my fall
It's more than enough and I need it
'Cause I've never known better
And I'll never know betterThis love will see me soar
It's more than enough and I need it
'Cause I've never known better
'Cause I'll never know better'Cause I'll never know better
And I'll never know better
