

# My Feet Keep Dancing (LP Version)

Chic

Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing I need some help, I get beside myself  
And I got so many things in life to do  
Like, reach for a star or maybe shoot ten under par  
I'd like to do it all before I'm through Fly into space or maybe save the human race  
All these things seem so appealing  
But I'll never get the chance, 'cause all I do is dance  
My mama said my brains are in my feet Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing Papa told, every night when he would scold me  
He knew I'd never make him very proud  
So I ran away from home to live all alone  
And make myself a standout in the crowd Then it hit, my ideas began to fit  
I had to be what I was meant to be  
Now my name is up in lights and I hoof here every night  
They were right my brains are in my feet Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing
