

Lose Control

[Maria Mena](#)

Ooh, ooh, ooh, ooh ooh Shame on you for making me wait
Time and time again you're too late
And I'm about to make a mistake
So please hurry babe, oh, just hurry You might as well just take it from me
You said that I should take it from you
But I don't know if I agree, so please hurry, babe
But don't you worry 'Cause I'm not convinced that I am worthy
Of your time and I will do what it takes to make you mine
So sit back, relax and enjoy the show
This could be funny, 'cause I'm about to lose control Ooh ooh My back is aching my feet are sore
But I'm still waiting, looking for more
I'm gonna stay here on the floor
But just you hurry, babe, just you hurry 'Cause I'm not convinced that I am worthy
Of your time and I will do what it takes to make you mine
So sit back, relax and enjoy the show
This could be funny, 'cause I'm about to lose control 'Cause I'm not convinced that I am worthy
Of your time, and I will do what it takes to make you mine
So sit back, relax and enjoy the show
This could be funny, 'cause I'm about to lose control Ooh, ooh, ooh, ooh ooh
