

3Am

Kate Nash

How did it get to 3 am?
I wish that I could call
But I know that you're probably asleep
Do I really have to get used
To being alone again?
I wish that you were here
But I know that you are my best friend
Do you really have to dream?
I'm perfectly happy
In reality I'm wide awake
I think about the things
That I will do tomorrow and I'm trapped
Things are dark outside and everybody else is fast asleep
My hand is glued to the remote
The TV has already said
'Goodnight I'm frozen in my sleep'
I want to move but I'm afraid
Suffering from anxiety
I don't want to be alone!
You see, I want to be with You
You ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh
You ooh ooh
Yeah baby You are the one I think of
On a night
And on a night it feels so right
I miss your arms
The way you kiss me
The way you pull me in so tight
It makes me sick the way we'd fight
But I want you so bad tonight
You are the one I think of
On a night
And on a night it feels so right
I miss your arms
The way you kiss me
The way you pull me in so tight
It makes me sick the way we'd fight
But I want you so bad tonight I want to change no need to worry

My desires change
My rude passion is tricky
Love is tender, Love is sweet
It hurts it's you and me
And in my fatal jump
Cut off my electricity
And now I'm really stumped
I'll make an effort, take forever
Clean the house to stop me crying
And if you cry, you're taken out
There won't be room for mistakes here
I'm afraid this is all or nothing
And I haven't got a hope
At least I thought I had a friend
Turns out I was just a joke
I'm holding onto what I've got
I'm tryna get just what I want
I'll pick the pieces up tomorrow
Cut the pill and take my chances and a half
Yeah baby You are the one I think of
On a night
And on a night it feels so right
I miss your arms
The way you kiss me
The way you pull me in so tight
It makes me sick the way we fight
But I want you so bad tonight
Yeah baby
You are the one I think of
On a night
And on a night it feels so right
I miss your arms
The way you kiss me
The way you pull me in so tight
It makes me sick we way we'd fight
But I want you so bad tonight
Yeah I need You
You ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh
You
Ooh ooh
You
You ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh
You ooh ooh

You ooh ooh ooh ooh ooh ooh
