

From Ear to Ear

Cut Up

Brutally strangled, attacked from behind
Blacked out dropped on the floor
Defenseless lifeless flesh for the cut
The body will soon be deformedThe sound of steel violated through flesh
Piercing the skin with a new sharp blade
Stabbing the neck multiple times
Forcing the knife down the spine
Slowly insert the knife,
From ear to ear
The neck tendons snap from the cut,
From ear to ear
The warm blood gush from the wound,
From ear to ear
Carving through skin, flesh and bones,
From ear to earA murdering maniac molesting the skin
Exposing the blood dripping flesh
Sadistic, morbid procedure to kill
A dreamlike state in a murderer's mindTickle the dead flesh one final time
Armed with a two-edged knife in each hand
Smeared in blood and guts and pus
The ripped throat start to build the lust
Lost in his final humanity, a monstrous appetite begin
A necrophiliacs need to ejaculate in the dead
An act of violent overtorture, randomly over the corpse
Screaming in lust, covered in blood from raping the throat of the dead
