

Land of the Living

[Yvonne St. Germaine](#)

Land Of The Living There's a place of dazzling beauty,. Of human eye has ever seen. With gates of pearl and streets of purest gold. It's a land of milk and honey. Oh it's more than just a dream. It's a land of life beyond the crystal sea. _____ . It's a land of life where living is forever. Where the sting of death will claim no victory. We are nothing more than just a passing shadow. Til we reach the land of living beyond the crystal sea. _____ . To some it's nothing but a legend in this paradise of bling. The Lamb will be the only light we'll need. It will soon be walls of Jasper built by God's own hand. It's a land of life beyond the crystal sea. _____ .

It's a land of life where living is forever
Where the sting of death will claim no victory
We are nothing more than just a passing vapour
Til we reach the land of living beyond the crystal sea
Til we reach the land of living beyond the crystal sea
