

# Going Down

## Dag Nasty

we're going down  
looking around this place man  
I've got to get out of here  
all those people here are crazy (gonna drive me nuts)  
looking at their race  
I never wanted to be in  
where's the door , just get me out of here  
we're going down  
we're going down and out yeah down and out  
looking at all these cars  
now they're blocking my escape  
L.A. Freeway , never free no way  
15 miles an hour  
the Clash tape up past ten  
ten more minutes and I can breathe again
