The Lucky Ones

Precision Music Productions

On the edge of a moment,
In the land that we love,
In the time that our best has to be good enough,
Like all those before us, we start out alone,
We race from our schoolyards, into the unknown
City lights, as far as the eye can see,
You and I, we will live differently
With our hearts in our hands,
Like loaded guns,
We're taking a chance,
We're the lucky ones,
This moment is yours,
This moment is mine,
And we're gonna be fine,
Oh oh oh oh ohhh
Oh oh oh oh ohhh
Searching for love,
Counting steps as we go,
Our parents they taught us there's no way to know,
I still hear their voices in the back of my head,
Saying, "You'll do better than we ever did"
City lights, as far as the eye can see,
You and I, we'll do it differently
With our hearts in our hands,
Like loaded guns,
We're taking a chance,
We're the lucky ones,
This moment is yours,
This moment is mine,

And we're gonna be fine,
Oh oh oh oh ohhh
Oh oh oh ohhh ohhh
Oh oh oh oh ohhh (We're gonna be fine)
Oh oh oh ohhh ohhh
City lights,
Stretching from sea to sea,
You and I,
It was meant to be,

Meant to be
Yeah
With our hearts in our hands,
Like loaded guns,
We're taking a chance,
We're the lucky ones,
This moment is yours,
This moment is mine,
And we're gonna be fine yeah,
We're gonna be fine yeah yeah oh,
This moment is yours,
This moment is mine ohhh,
And we're gonna be fine,
Oh oh oh oh ohhh
We're gonna be fine,
Oh oh oh ohhh ohhh
We're gonna be fine,
Oh oh oh oh ohhh
We're gonna be fine,
Oh oh oh ohhh ohhh
