

Marguerita Time

Robert Rigby

Captured my heart
captured my memory Captured a time for me
I could see time for me is gonna be.
Deep in my heart
deep in my memory Deep in a part of me
heart of me meant to be history Could it be that I'm still wond'ring?
I never knew what had happened to me
I didn't think it was true That I could be just like anyone else
I'll take my chance with you.
Picture a dream
picture a fantasy Picture a mood of me
mystery
you and me a mystery Lost in a dream
lost in a phantasy
lost in what seemed to be Dreams to me seemed to be
had to be
couldn't find no other reason.
I never knew what happened to me
I didn't think it was true
. . .
Let's have a drink
it's marguerita time It's marguerita time
after nine
summertime
anytime.
You'll still always find me wond'ring.
I never knew what had happened to me
I didn't think it was true
. . .
