

# Adorations

## Killing Joke

Courage and cowards move, heroes to ecstasy  
Welcomes of war and wounds, vigil and victory  
Structures of atoms dance, sugar towards the taster  
Prey to the predator, love as we're falling down  
Through light and laughter flow, to dirge and death we go  
Mindless processions move, lanterns of burning towns  
Welcome to fray and feast, bliss in all sorrows found  
Rhythms and random moves and waves of adorations  
Patterns I'm finding  
As pain and joy and sorrow mingle  
Patterns we're finding  
Our faces raised in adorations  
Deserts are paradise, awake to genocides  
Delight and suffering, these roles that we have found  
Nourished by food we eat, hungered by waste excrete  
From apes or sons of God, let every act be sacred
