

# Love Me Like the First Time

**Brenda K. Starr**

It was a rainy day and I just got to thinking  
Of how our lives had changed with all the years  
This room was once alive with all your laughter  
And when I heard the silence I called you right away  
Now please don't say a word hear what I say  
Love me like the first time again  
Let's pretend it's never gonna end  
For one last night  
Just hold me in the way you used to do  
You know, love me like the first time and go  
Is it my imagination are you lonely  
Well I'm sorry but I thought you sounded sad  
I'm not trying to start a fire again please listen  
If you're free at all tomorrow the next day who knows when  
For the last time can we say goodbye as friends  
Repeat 2x Oh love me like the first time again  
Let's pretend it's never gonna end  
For one last night  
Just hold me in the way you used to do  
You know, love me like the first time and go
