Lock and Key

Julia Fordham

When there's comfort in pleasure and pleasure in pain
And I'm wondering if I'll see you again
No tangled emotions dragging us down
And the texture of your voice the sweetest soundI'm gonna wrap you up and take you home with me
Yo yo, yeah yeah
Treasured in my heart under lock and keyWhen there's nothing to hold you or holding you back
No chains of attachment, only basic facts
No strangled devotions, hemming us in
And the taste of your smile was the sweetest thingI'm gonna wrap you up and take you home with me
Yo yo, yeah yeah
Treasured in my heart under lock and keyUnder lock and key, my precious moments
My special memories and you know and you know
I ain't never, never, I ain't never gonna let them goWhen there's comfort in pleasure and pleasure in pain
And I'm wondering, wondering if I'll see you again
No tangled emotions, draggin' us down
And the texture of your voice the sweetest soundI'm gonna lock you up and take you home with me
Yo yo, yeah yeah
Treasured in my heart under lock and keyYo yo, yeah yeah
Yo yo, yeah yeah
Yo yo, yeah yeah
(Lock and key, I'm wondering, wondering)
(Yeah yeah, yeah yeah)
Yo yo, yeah yeah
(Yeah yeah, yeah yeah)
(If I'll see you again, if I'll see you again, yeah)Yo yo, yeah yeah
(Yeah yeah, yeah yeah)
Yo yo, yeah yeah
(No tangled emotions)
(Yeah yeah, yeah yeah)
Yo yo
