

Please Be With Me

Eric Clapton

Upon my word, what does it mean?
Is it love, or is it me?
Makes me change so suddenly
Lookin' out, feelin' freeI sit here lyin' in my bed
Wonderin' what it was I'd said
Made me think I'd lost my head
When I knew I'd lost my heart insteadSo won't you please read my signs, be a gypsy
Tell me what I hope to find deep within me
Because you can find my mind, please be with meOf all the better things I've heard
Lovin' you has made the words
And all the rest seem so absurd
'Cause in the end it all comes out, I'm sure
