

I Walk Alone

Willie Nelson

I'll walk alone
Where once we wandered
It seems so strange
Since you are gone
'Til you return
I'll stay the same, dear
I'll still be true
And walk alone By stars above
I swear to love you
With all the love
I've ever known While we're apart
I'll stay the same, dear
And when teardrops start
I'll walk alone The flame of love
Is brightly burning
And you know that I'm
Your very own
