

Nightflight to Venus

Boney M.

Ladies and Gentlemen
Welcome aboard the starship Boney M
For our first passenger flight to Venus Ready for count-down
10, 9, 8, 7, 6, 5, 4, 3, 2, 1
(Nightflight to Venus)
(Nightflight to Venus)
(Nightflight to Venus)
Ignition lift off Nightflight to Venus
Way out there in space
Nightflight to Venus
Our new fav'rite place Nightflight to Venus
All systems are go
Nightflight to Venus
The sky is aglow Ladies and Gentlemen
We've had a successful take-off
On this first nightflight to Venus
Our flying time will be 8 hours
We'll be traveling at a speed of
2183 miles per second Nightflight to Venus
Nightflight to Venus Captain unidentified object at 8 o'clock
2 million miles away
Stand by for emergency maneuver
Object coming closer at the speed of light
We have 8 more seconds
Change course by 4 point 6 degrees
Order admitted Ladies and Gentlemen
In a few minutes we are
Going to be landing on Venus
Push the button on your left side
The safety mechanism will do the rest for you We hope you enjoyed
The world's first nightflight to Venus
Have a good time there
