Staring At You

Diane Birch

Staring at you
Staring at me
It's a slow dance
But I believeMona Lisa
Who do you see
It's your one chance
Do you believeLet's get naked
Under the knife
We are dreamers
Larger than life
Staring at you
Staring at me
It's a slow dance
But I believe
Lock up all the doors
Better seal your heart up tight
Block out all the noise
But you can't escape the light
Staring at you
Staring at me'Cos your love creeps slow
Like a thief in the night
You take my breath
And you hold it inside
'Cos your love creeps slow
Like a thief in the night
You take my breath
And you hold it inside
There's an ocean
Inside of your head
With all the words
You wish you had said
We are broken
We have no pain
You're the needle
I am the veinLock up all the doors
Better seal your heart up tight
Block out all the noise
But you can't escape the light
Staring at you

Staring at me'Cos your love creeps slow
Like a thief in the night
You take my breath
And you hold it inside
'Cos your love creeps slow
Like a thief in the night
You take my breath
And you hold it inside
