Golden Lonely

Moneybrother

You breaking up my happy home
I can see where this is turning now
Just a look and there you go
All that I was buildingÂ´s burning down

Why you doing this to me
Make me suffer endlessly

One hand on my shoulder
A quick goodbye itÂ´s over

Seven days is much to long
WhatÂ´s the point in me returning now
Just a week ago IÂ´d sworn
The way this is going there ainÂ´t no ending now

Time and Time again
Going through what I canÂ´t stand

Walking out that door
Once my friend but not no more
This canÂ´t be true
Oh, baby, it was you

Girl you left me lonely
Right down there lonely
And I wish youÂ´re lonely too
Shot through the heart and left to die
Wasted in the streets I cried
Are you lonely to
