

Fuck People

OFF!

I was blind
and spite was hot
watched it All
fall Apart
Gun went OFF!
inside my skull
Socially dysfunctional
F**K PEOPLE!
I'd shoot down their master plan
I've lost faith in my fellow man
I won't let them crush my soul
I can tell them where to go
F**K PEOPLE!
I'd shoot down their Master Plan
I've lost faith in my fellow man
F**K PEOPLE!
F**K PEOPLE!
F**K PEOPLE!
F**K YOU!!!!!!
