

# Tomorrow Is Yesterday

## Field Mouse

Let yourself be tomorrow  
Tomorrow is yesterday  
So show me the way to get out of this world  
I'll be the one that fades away right  
You give it, you give it  
You get it, you get it  
You give it, you give it  
And then they take it away  
You give it and they take it away  
You get it and they take it away  
Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away  
Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away right  
You see it, you see it  
You take it, you take it  
You see it, you see it  
And then they steal it away  
Don't you realize that you can't win  
'Cause the place you begin  
Is the place you must end  
Right, yeah, yeah, yeah  
Right, right, right, right  
Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away  
Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away  
Let yourself be tomorrow  
Tomorrow is yesterday  
So show me a way to get out of this world  
I'll be the one that fades away yeah!

You give it, you give it  
You get it, you get it  
You give it, you give it  
And then they take it away  
Don't you realize that you can't win  
'Cause the place you begin  
Is the place you must end  
Right, yeah, yeah, yeah  
Right, right, right, right  
Right, right, right
