

# Hurricane (Arty Remix)

## Halsey

There's a place way down in Bed Stuy,  
Where a boy lives behind bricks,  
He's got an eye for girls of eighteen,  
And he turns them out like tricksI went down to a place in Bed Stuy  
A little liquor on my lips  
I let him climb inside my body  
And held him captive in my kissAnd there's a storm you're starting now  
And there's a storm you're starting now  
And there's a storm you're startingI'm a wanderess  
I'm a one night stand  
Don't belong to no city  
Don't belong to no man  
I'm the violence in the pouring rain  
I'm a hurricane  
I'm a hurricane  
I'm a hurricaneI went down to a place in Brooklyn  
Where you tripped on LSD  
And I found myself reminded  
To keep you far away from meAnd there's a storm you're starting now  
And there's a storm you're starting now  
And there's a storm you're startingI'm a wanderess  
I'm a one night stand  
Don't belong to no city  
Don't belong to no man  
I'm the violence in the pouring rain  
I'm a hurricane  
I'm a hurricane  
I'm a hurricaneHe says, "Oh baby, beggin' you to save me  
Well lately, I like 'em crazy  
Oh, maybe, you could devastate me  
Little lady, come and fade meI'm a wanderess  
I'm a one night stand  
Don't belong to no city  
Don't belong to no man  
I'm the violence in the pouring rainCome and fade me  
Come and fade me  
I'm a hurricane
