Beautiful Distraction

Josh Hoge

Yeah, Yeah, Yeah,
Oh, Oh, OhLately I can think straight
All i do is concentrate
How you move your hips
And the way i flip on how your lips tasteLately can't get nothing done
Cause I cant kiss you more than once
Love or lust, don't know?
One things for sure, i need another oneOh baby I just cant believe
Even in my dreams
I close my eyes, no where to hide
Cause you is all I seeAnd I, think about the things i wanna do
To you,I can't get you off my mind, baby and I
And I, am caught up in this physical attraction
Shes my satisfaction
Shes a beautiful distraction
Shes a beautiful distraction, oh noI try to give you up
But I'm obsessed on every touch
Chills all over me, I can barely breathe
Girl too much ain't enoughOh baby I just cant believe
Even in my dreams
I close my eyes, no where to hide
Cause you is all I seeAnd I, think about the things i wanna do
To you,I can't get you off my mind, baby and I
And I, am caught up in this physical attraction
Shes my satisfaction
Shes a beautiful distraction
Shes a beautiful distraction, oh noThere's something else
That I can't control myself in you
You got me feinin'
Cant leave you alone
Whoa, Oh No No NoI think about the things i wanna do
To you, I cant get you off my mind baby
And I, am caught up in this physical attraction
Shes my satisfaction
Shes so beautifulAnd I, think about the things i wanna do
To you,I can't get you off my mind, baby and I
And I, am caught up in this physical attraction
Shes my satisfaction
Shes a beautiful distraction

Shes a beautiful distraction, oh noShes a beautiful distraction
Shes a beautiful distraction
