

As Usual

Brenda Lee

(Zanetis)

The sun comes up and brings the dawn

As usual

When I awake I'll find you gone

As usual

But I can't find a way to let

This crazy heart of mine forget

I pretend you're still beside me

As usual

Each evening I take a walk

As usual

I make believe that we still talk

As usual

People always stop and stare

I guess they just don't see you there

Don't they know you'll always be right here

As usual

Today I looked into my mirror

As usual

I told myself that you're still here

As usual

And as I stood there telling lies

The tears began to fill my eyes

Cause I know I'm only fooling myself

As usual
