How would you feel If you heard the news, that I was dead  
What would you do if you found out from your friends, that I was dead  
Would you cycle through your mind, think of all the things,  
you shoulda said  
or coulda did differently, if I was dead I'm just tryna say, life is too short  
Though I make mistakes,  
baby I'm trying to make it right  
All I'm tryna say, is life is too short  
All we got is love baby and it's time to make it right If I'm alive that is  
If I'm alive that is Do you think of me, At all?  
Woah, at all? at all?  
Would you think of me, At all?  
Mmmmmm, At all? at all? Who would you talk to? Who would be your friend? If I was dead  
Who would you run to? Who would kiss your face? If i was dead  
Would you cycle through your mind, think of all the things,  
The good and bad  
Seeing things differently, if I was dead I'm just tryna say, life is too short  
Though I make mistakes,  
baby I'm trying to make it right  
All I'm tryna say, is that life is too short  
All we got is love baby and it's time to make it right If I'm alive that is  
If I'm alive that is Do you think of me, At all?  
Woah, at all? at all?  
Would you think of me, At all?  
Mmmmmm At all? at all? Goodbye
