

Lay Your Head On My Pillow

[Tony Toni TonÃ©](#)

Lay your head on my pillow
And just relax, relax, relax ('cause it was meant for you)
Lay your head on my pillow
And just relax, relax, relax ('cause it was made to groove)Here we are in the room together
Holding hands and it's gonna get better
And I know that you're in the moodSo put your purse down and take off your jacket
Oh girl it's about to get nasty
You'll love what we gonna doLay your head on my pillow
And just relax, relax, relax ('cause it was meant for you)
Lay your head on my pillow
And just relax, relax, relax ('cause it was made to groove)Won't you pull back the sheets and lay down
Put your head upon my shoulders
Let me tell you how I wanna feelYou're the girl that knows my pleasure
So let me go down and find my treasure
Let me see where my pearl is atLay your head on my pillow
And just relax, relax, relax ('cause it was meant for you)
Lay your head on my pillow
And just relax, relax, relax ('cause it was made to groove)The cutie pies they all know
They can always lay on my pillow
