The Beginning and the End

Isis

Long you both laid in the sun's yellow stare
On the edge with eyes rolled back in the waves we calling him
As he teetered on the edge
The waves were calling himHe had seen it, felt it's might, bent underWashing away
He thinks of you
Everything slows
Lights flashing throughThe water flies
Over his head
You are me now
As you lay on my bedThe water flies
Over his head
You are me now
As you lay on my bedThis is what he'd always known
The promise of greater beyond the water's final horizon
